

octoplus®

20 lbs Laundry Pair

Versatile programs. Unmatched quality.

Miele's Octoplus soft mount, high spin speed laundry system is the perfect solution for a business that requires energy efficient commercial laundry. The 20 pound capacity Octoplus can hold 16 bath towels, 4 king sheets or 6 spa robes. Offering short wash programs, high temperature disinfection and high extraction, the Octoplus provides a superior hygienic clean. In addition, Miele's Honeycomb™ Drum cradles garments and fabrics while washing, ensuring a gentle and thorough clean.

German engineered with high performance heater elements, intelligent water intake control and short cycle times, the Octoplus is the ultimate tool for facilities with high throughput laundry demands.
